

Addressing the text

19

1867

Small some translation and ground of criticism
we are there a number of important of writing

to you to present the hope that their
will of presence of all in the same

lines only find the with gladness
we should gain the with gladness

to have that you were all well
we have nothing present to write only

that ~~the~~ comes with has a mother
boy a day or two with the text

every one that man the price of
his as the H. he is the price of

where a storm the price of
pears are 39 to 4 and the price of

States are good and price of
is a good copy all the price of

cup of peais and they there are
some of our price of

only got their price of
when they price of
about the price of
they did not price of
